

## **Gamma Kappa Phi USA Privacy Policy on Web Registration**

The web registration is exclusively only for the members of the Gamma Kappa Phi or otherwise known as Kappans around the World.

All Kappan members around the World are welcome to register at the Gamma Kappa Phi USA official website. Fill out the registration form completely and surely will be kept private. The web registered members list is also archived at the log-in files for you to view. However, the information given by our Kappan members may contain legally privileged and confidential so no one should share other's information to any means of communication without the consent and approval by the said Kappan member.

Once you get registered, we will screen your information first before giving you a username and a password in order for you to log-in and open the GKP USA private documents. Otherwise, we will send an email to ask more details about your registration information. Once completed, then there will be an email confirmation sent to you for your username and password.

Thank you for your cooperation!

The Webmaster
